Welcome to Sponars Chalet

HISTORIC ALPINE SKI LODGE

THE CHALET

We are situated in a quiet valley in Kosciuszko National Park.

There is plenty of space for workshops, yoga, meditation and adventures. There is the opportunity for many activities on our doorstep such as hiking, cycling and swimming or sometimes it's just nice to relax.

FACILITIES

- Indoor Heated Swimming Pool
- Steam Room
- 2 pool Tables & Foosball
- Ping Pong Table
- Movie Room
- Yoga and meditation space with stage.

HISTORY

Sponars Chalet is the last remaining building of the original Kosciuszko Hotel built in 1909 by the NSW government to introduce alpine sports to the people of Australia. The pictures on the walls in our dining room offer insights into this time and connect our guests to a century of skiing in the Snowy Mountains.

ADVENTURE TO MOUNT KOSCIUSZKO

One of the outstanding activities in the area is the 10km walk, ride or run to the summit of Mount Kosciuszko starting from Charlottes Pass only a short drive away.
